Reflect Reconciliation Action Plan

About this RAP

Yourshow has implemented a Reflect RAP that sets out the steps we will take to build relationships with Aboriginal and Torres Strait Islander stakeholders.

Our commitment to a Reflect RAP allows our organisation to spend time developing relationships, deciding on our vision for reconciliation and exploring our sphere of influence, before committing to specific actions or initiatives.

This Reconciliation Action Plan aims to help us continue to strengthen our capacity to develop culturally appropriate policies, programs and projects that embed respectful, long-term engagement with Aboriginal and Torres Strait Islander peoples, organisations and communities. Through our vision for reconciliation, we aim to build internal awareness, understanding, and cultural competency that can be incorporated into our approach to our work, and ensure that the voices of Aboriginal and Torres Strait Islander are respectfully heard.

Yourshow has developed a 'Reflect' Reconciliation Action Plan in recognition that our organisation is in the formative stages of a reconciliation journey. This is the first Reconciliation Action Plan developed by the organisation. The 'Reflect' Reconciliation Action Plan provides a platform for us to establish meaningful relationships with Aboriginal and Torres Strait Islander peoples and lay strong foundations for the development of future Reconciliation Action Plans.
